

Texol Multisyn™ 10W-60

Technical Data Sheet

Texol Multisyn™ 10W-60

High performance synthetic engine lubricant

Product description

Texol Multisyn™ 10W-60 is a modern, fully synthetic, high-performance engine oil formulated for use in gasoline and diesel engines under extreme load. The combination of synthetic base oils and modern additive technology satisfies the requirements of the latest engine designs.

Texol Multisyn™ 10W-60 gives you the confidence to demand maximum engine performance. Texol Multisyn™ 10W-60 competition and the latest technology high powered engines which operate under higher pressures requiring an oil with unsurpassed strength and performance credentials.

Texol Multisyn™ 10W-60 is proven in tests to deliver outstanding oil strength.

Application

Texol Multisyn™ 10W-60 is suitable for use in automotive gasoline and diesel engines where the manufacturer recommends an ACEA A3/B3, A3/B4, API SN/CF or earlier specification 10W-60 lubricant.

Customer benefits

- Texol TFAS™ technology
- Optimum lubrication under extreme conditions
- Very high lubrication and ageing stability
- Extremely low oil consumption and evaporation loss
- Outstanding engine cleanliness
- Rapid oil delivery at low temperatures
- Miscible and compatible with commercially available engine oils
- Tried and tested with exhaust catalytic converters

Specifications

Multisyn™ 10W-60 meets:

- Certified against: ACEA A3/B3, A3/B4
- Licensed as: API SN/CF

Texol Multisyn™ 10W-60

Technical Data Sheet

Texol Multisyn™ 10W-60

High performance synthetic engine lubricant

Typical Properties

Property (Unit)	10W-60	Method
Density at +15 °C	856	ASTM D4052
Viscosity @40°C, cSt	160	ASTM D445
Viscosity @100°C, cSt	22.9	ASTM D445
Viscosity Index	178	ASTM D2270
Flash Point, °C	224	ASTM D92
Pour Point, °C	-39	ASTM D97
Pumping Viscosity @ -30°C, mPa.s	25700	ASTM D4684
Sulphated Ash, %wt	1.2	ASTM D874
Copper Corrosion 3hrs @100°C	1a	ASTM D130
Total Base Number, mg KOH/g	11.9	ASTM D2896

Technical Expertise

Texol experts on Texol Multisyn™ series lubricants are regionally located to respond to your needs. Whether you have a question about products, applications or regulations, Texol offers comprehensive customer and technical service.
